

## Waiver for your stay on Clio

Sailing is not an inherently dangerous activity and we have a range of safety measures on board to help in the unlikely event a problem arises. As experienced skipper and crew we will brief you on safety on board and on some of the use of those safety measures, and we will maintain safe practices during our trips.

Notwithstanding these measures things can go wrong causing you injury or worse. In the unlikely event of an accident, there is a delay to be expected between the time of accident and professional (e.g. medical) help. By signing this contract, you declare that you understand and accept these circumstances and risks. You also assert that you do not have a pre-existing medical condition that may cause problems during your trip resulting in need for instant medical treatment.

By signing this waiver, you also acknowledge that you have a duty to exercise reasonable care for your own safety and others and that you agree to act accordingly while on board.

You may damage or lose overboard possessions or (though very unlikely) they can be even stolen by others during your stay with us.

We strongly recommend that you are properly insured (e.g. medical, loss/damage of property) for such matters before you start your trip on board of Clio.

BY SIGNING THIS CONTRACT, YOU WAIVE YOUR RIGHT TO SUE CLIO'S SKIPPER AND CREW: FRANCIS PANTUS AND CHRISTINE BRUNELL.

I have carefully read this contract in its entirety, fully understand its contents, and agree to the terms and conditions of this contract on behalf of myself, my heirs, and my personal representatives.
